Phone No. +91-8299529646

Email: [cenation092@gmail.com](mailto:cenation092@gmail.com)

---

## EDUCATION

Chhatrapati Shahu Ji Maharaj University

B.Tech - Computer Science & Engineering, CGPA: 8.07

Kanpur

July 2016 to Present

C.S.H.P Memorial Public School

12<sup>th</sup>, Aggregate Score: 91.2%

Ghaziabad

April 2014 - May 2015

## WORK EXPERIENCE

YouTube Channel ( [Go code](#) )

June 2018 to Present

- Running YouTube channel based on Data Structure, Algorithm and Competitive Programming.
- **Subscribers: 2.8K & Views: 87K.**

Edyst.com (Remote Intern)

May 2019 to June 2019

- As a Software Content Creator, I draft algorithmic & data structures question, editorial solutions, & test cases.

## COMPETITIVE PROGRAMMING SKILLS

- [Codechef](#) - Current Rating - **2021**, Problems Solved - **329**
- [HackerRank](#) - Current Rating - **2015**, Problems Solved - **251**
- [Codeforces](#) - Current Rating - **1657**, Problems Solved - **479**
- [HackerEarth](#) - Current Rating - **1593**, Problems Solved - **244**
- [InterviewBit](#) - Current Global Rank - **57**, Problems Solved - **330**
- [SPOJ](#) - Current World Rank - **3700**, Problems Solved – **211**

## ACHIEVEMENTS

- Selected as one of **250** from **10K** participants for first batch of [InterviewBit Academy](#).
- Qualified for **2017**, **2018** and **2019 ACM ICPC onsite regionals (74<sup>th</sup> / 162 Teams)**.
- Qualified the Codechef certified [Data Structure & Algorithms](#) programme.
- Rank in Online round 1B of [Snackdown 2019 \(104<sup>th</sup> / 15K Teams\)](#).

## PROJECT

Group Expense Manager (Team Size: 2)

July 2019 to August 2019

- **Role Played:** Designed DB model, designed and developed relevant APIs with proper documentation.
- **Skills and Framework Used:** Python, SQLite & Flask.
- **Link:** <https://github.com/akashvermaofskt/group-expense-manager>

A web-based application intended to share expenses with friends to stop stressing about “who owes who.”

## PROGRAMMING SKILLS

- C++, C, Java, Python More Conversant with C++ and C.

## INTERESTS

Algorithms, Data Structure, Number Theory, Anime, Gym.

## DECLARATION

I hereby declare that the information provide is true to the best of my knowledge.
